Woke up in the morning, in my AE Zone

Woke up in the morning, feeling all alone

And I got the AEZ, the agroecozone blues

There aint no silver bullet, to end my AEZ blues

Gotta change my crop rotation, gotta change my tillage too

Cant even put on my nitrogen, the way I used to do

I got the AEZ, the agroecozone blues

Gotta save the world from climate, and from me and you

Well I worked the evening and all through the night

But still in the morning, my AEZ was outta sight

I got the AEZ the agroecozone blues

There aint no silver bullet, to end my AEZ blues

Well some day were gonna get, Im gonna wake up in my zone

The crops will be intensive, and no-tillage the norm

And I wont have no AEZ, no AEZ blues

Gonna save the world from climate, and from me and from you

Roll on Columbia Roll on

^D
Green Douglas firs where the waters cut through. ^A

^A
Down her wild mountains and canyons she flew. ^D

^D Canadian Northwest to the ocean so blue, ^G

^A It's Roll on, Columbia, roll On! ^D

^D Roll on, Columbia, roll on. ^A

^A Roll on, Columbia, roll on. ^D

^D Your power is turning our darkness to dawn, ^G

^D So, Roll on, Columbia, roll on ^A

Other great rivers add power to you,

Yakima, Snake, and the Klickitat, too,

Sandy, Willamette, and Hood River, too;

Roll on Columbia, roll On!

CHORUS

Tom Jefferson's vision would not let him rest,

An empire he saw in the Pacific Northwest.

Sent Lewis and Clark and they did the rest;

Roll on, Columbia, roll on.

CHORUS

It's there on your bank that we fought many a fight,

Sheridan's boys in the blockhouse that night,

They saw us in death but never in flight,

Roll on, Columbia, roll on.

CHORUS

At Bonneville now there are ships in the locks,

The waters have risen and cleared all the rocks,

Shiploads of plenty will steam past the docks,

Roll on, Columbia, roll on.

CHORUS

And on up the river is Grand Coulee Dam,

The mightiest thing ever built by a man,

To run these great factories and water the land,

It's roll on, Columbia, roll on.

CHORUS

These might men labored by day and by night,

Matching their strength 'gainst the river's wild flight,

Through rapids and falls they won the hard fight,

Roll on, Columbia, roll on.
